

Science Safety Poster

Name: _____ Block: _____

Directions:

- Create a poster advertising **your assigned** safety rule.
- Use **LARGE** letters
- Use **color!**
- Must be original
- Use very few words (you may paraphrase if you need to). Poster wording is short and to-the-point.
- The poster's picture (s) should clearly represent the assigned safety rule.
- The poster should be drawn by hand and not created on the computer.
- Attach this rubric to your poster when you turn it in!

Science Safety Poster Rubric
